Mr. George Brauchler
Candidate for District Attorney, 18th Judicial District of Colorado,

The Metro Area Graffiti Task Force of Denver would like to announce their official endorsement of your candidacy for the Office of District Attorney for the 18th Judicial District of Colorado. Your history as a Deputy District Attorney in Colorado as well as your understanding of the needs of the People and your willingness to work in cooperation with Law Enforcement has brought us to the decision to endorse you as a candidate for this office.

We truly believe your work ethic, honesty and experience will be a welcome change and much needed benefit to all who live and serve in the 18th Judicial District. We extend our support and encouragement to you and your family and will encourage our membership of over 70 representatives from 23 law enforcement agencies to do the same.

Good luck, and thank you for your support of us, the Law Enforcement community.
